Sea activities

## **Entrepreneurial spirit**

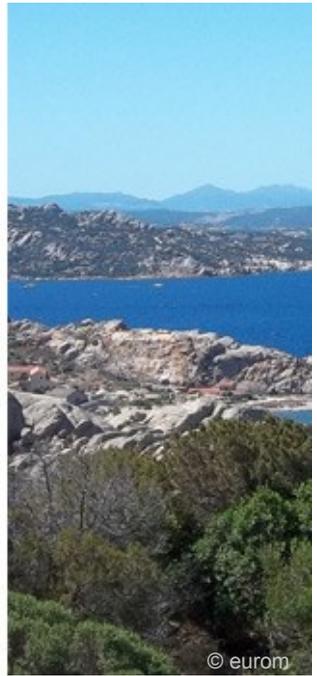

Team Challenge is an opportunity for like minded individuals to combine their physical and mental capabilities to complete challenges in beautiful and inspirational locations.

This break from the normal routines and distractions of life aims to create an environment for creative thinking. Where the entrepreneurial spirit is encouraged to focus on, and develop, new business concepts and relationships. Informal group meetings and social gatherings will take place in very comfortable and relaxing settings.

A minimum number of 12 active participants is recommended and the following itinerary provides an idea of the challenges. The itinerary and number of days can be customised if required.

## **Day One**

Participants are met at Olbia airport in the north of Sardinia and driven to their exclusive hotel in the Costa Smeralda. Depending on flight times it may be possible to relax on the beach and swim in the crystal clear sea before an informal get together for introductions, a review of the programme and dinner.

Land activities

### **Day Two**

After breakfast the group will help crew sailing boats around the islands of the Maddalena Archipelago looking for buried treasure. Some snorkelling experience may be required. Lunch will be served onboard. Return to the hotel in the late afternoon for relaxation before a networking session followed by another opportunity to savour some of Sardinia's superb cuisine.

### **Day Three**

After breakfast the group take jeeps, and walking shoes, into the Island's interior to test their orientation and observation skills to find a secret location. A traditional lunch using local produce will be provided. Return to the hotel by late afternoon for relaxation before a review of events, 'prize giving' and a gala dinner.

### **Day Four**

A free day to 'do your own thing' be it golf, explore the area by car, relax on the beach, shop in 'chic' Porto Cervo, take a speed boat to Corsica or whatever.

### **Day Five**

After breakfast coach takes participants to Olbia airport.
